

Maryland's Award Winning Builder

Founded in 1983, Williamsburg Homes has been honored by the Homebuilders Association of Maryland with first place accolades for product design, livability, craftsmanship and value for 26 consecutive years.

Building semi-custom homes in several sought-after communities, a Williamsburg home is considered one of the finest in Maryland. This quarter-century achievement by Williamsburg Homes is unmatched among Maryland builders.

"We are motivated every day to offer our homebuyers the absolute best value in new home quality. Winning one award is great, a handful more is wonderful, but being honored every year since we started building homes is a legacy we are very proud of." – BRUCE HARVEY, PRESIDENT
